Re: David Grimm Recommendation

28Jan2010

As the former general manager of the Spirit Cruises of Washington, D.C. from 1997 through 2000, I had numerous opportunities to observe and interact with David Grimm, our contractor for DJ and live music services. David's entertainment group was recognized by me and our corporate offices as the best in the fleet. The overwhelmingly positive customer ratings of David's entertainment aboard the Spirit of Washington went a long ways toward helping Washington attain the rating of Best City in the Fleet during my last two years as General Manager.

David has always shown a great respect for management and the management process. He would always strive to meet management demands and we grew to consider him more like one of our employees rather than a contractor. As the contractor of music for our city, David was remarkably confident and we developed a great deal of faith in his knowledge. His confident nature enabled him to deal with unexpected events which are inevitable from time to time in the entertainment cruise business. One of the attributes that made David so valuable to our operation was his ability to accommodate our wishes, welfare and interest above his personal interests and desires. In a role requiring dependability and quality of workmanship David's conscientiousness was remarkable. If I were to rate David's value to our city during my time as GM on a scale of one to ten, he would unquestionably be a ten.

Respectfully,

Edward L. Green
